**REPORT OF THE AUDITORS TO  
THE MEMEBERS OF DACE FOUNDATION**

We have audited the financial statement on page 6 to 8 which have been prepared under the historical cost convention.

Respective responsibilities of Executive Council and Auditors.

The Executive Council is responsible for the preparation of the financial statements. It is our responsibility to form an independent opinion, based on our audit, of those statements and to report our opinion to you.

**Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing. An audit includes examining on a test basis, evidence supporting the amounts of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company’s circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence whether the financial statements are in agreement with proper books of accounts kept by the company and to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**Opinion**

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 December, 2024 and of its profit for the period then ended and have been properly prepared in accordance with the Companies Code 1963.

**NOTES TO THE FINANCIAL STATEMENTS**

FOR THE PERIOD ENDED 31 DECEMBER 2024

**1. STATEMENT OF ACCOUNTING POLICIES**

The following are the more important accounting policies adopted by the company in the preparation of the financial statements.

(a) Basis of accounting

The financial statements are prepared in accordance with the historical cost convention as modified by the revaluation of certain non-current assets.

Depreciation.

Depreciation on fixed assets is calculated to write off the book value on a straight-line basis over the expected useful lives of the assets concerned. The principal annual rate has been changed since most equipment falls in similar class. The details are below

|            |       |
